# IN THE SHOP

The holidays come early here at Canterbury. We are filling different kinds of Christmas stockings and Easter eggs. We have some smaller jobs we are filling for our printer customers. With these other jobs and steady work from American Carnival Mart, we should be pretty busy through Easter 2016.

We are accepting donations and sponsors for our Trivia Night in November. If you know someone who might be interested in supporting this event look for the information to be given out soon. The information is also available online through

Facebook and our website.
